## BIO

After receiving airplay from the BBC, Grabbing the attention of Jim Gellatly (featuring in the newspaper 'The Sun') gaining attention from independent bloggers and appearing on popular playlists across major platforms. The group have created brand new tracks along with an entirely new body of work (written and recorded) to release in 2022. They are looking to put out a brand new single in July, followed by their all new EP—titled 'Ghosts'.

## MUSIC

MDOF EYES are an Alternative/Pop band from the UK with songs that exist within a stylised sense of escapism. Having memorable melodies, dream-like chords, sampled sounds and beats. They are currently a 3 piece project with two lead singers: Jason Stewart (Guitarist/Synth); J.R Campbell (Guitarist) and accompanied by Liam Browne (bassist/Drum pads). The group work with a handful of producers and also produce work on their own. Outside help has consisted of two producers:

Bruce Rintoul—a Scottish producer who has worked with the likes of: Fatherson, Vukovi and The Nickajack Men. Bringing their next single release 'Palms' to life.

Paul Mcnally—an established beat maker, collaborated with rap legends Vinnie Paz, Kool G Rap and DJ Skee. Clients include: Nina Nesbitt, Florence + The Machine, Kid Ink, Verse Simmonds, The Lapelles, The Amazing Snakeheads, Retro Video Club, Vinnie Paz, Rory Fresco, Hit The Lights, The Wakes, Russell Stewart, Lizzie Reid, The Van T's, Mark Sharp & The Bicycle Thieves and King Of Birds (among many others).
